

TO OUR PROSPECTIVE CLIENTS:

Thank you for your interest in the MyRemoteConnection Managed VPN service. Our service provides a highly-secure link between your Remote/Branch Office users and servers and applications in your firm's permanent locations. It works equally well with inhouse hosted systems as well as ASP-model services which may be located elsewhere.

By completing this **Site Survey Form** you will help us to understand your needs at the same time that you become acquainted with the capabilities of the service. Simply complete this document and fax it to 877-750-8062. I will review it and contact you to further discuss your unique needs.

You may also use this form to register for No-Charge Demo Accounts. Please note: Demo Accounts are provided on a first-come, first-served basis.

Thank you once again,

Mike Jacobson
General Manager
